Tandem Skydive Preparation:

To make your skydive the most enjoyable there are a few things you can do the day of your jump.

You should wear comfortable sneakers and clothes appropriate for the season; shorts and a T-shirt on a hot day are fine and if it's a colder day, long pants and a comfortable long sleeve shirt. We have jumpsuits and goggles available for you.

If the weather is questionable the day of your scheduled skydive please call us for an update 360-432-8000, we can reschedule to another day that fits your schedule no problem.
